The regular meeting of the Township Committee which should have occurred on Wednesday evening May 30th, will be held on the evening of June 6th.

A party of Bloomfield gentlemen went down to Newark Bay on Wednesday well equipped with fishing tackle. They returned with heavily laden baskets in the evening.

A great many Bloomfield people went to Rosville on Wednesday morning to witness the ball game between the Rosville Out and the U. S. Electric Lights.

Edmund's woods on the Bloomfield and Hacklin line is getting to be quite a resort for Sunday beer drinkers. Baseball and card playing are the chief amusements of the crowd.

The A. M. C. A. ball team, defeated the Rosville team on Wednesday evening by a score of 6 to 5. The game was very hotly contested one all through.

The East Orange Town Committee has made a three years' contract with the Essex Gas Light Company on the following terms: The gas used in public buildings will be \$1.75 per thousand feet, and \$2.50 per year for each street lamp. A night lamp is to be made for \$1.00 and it will be made by the Chief of Police.

—Mr. Francis Lawrence, who was seized with illness several weeks ago, while traveling in Canada, and was for some time in a very critical condition, arrived home on Thursday, accompanied by his sister, Miss Emma Lawrence.

—No arrests were made on Memorial Day. Officers were sent for to quell a disturbance in one of the Glenwood Avenue saloons. The matter was settled without their interference. This was the only unpleasant occurrence reported during the day.

—Stephen J. Dodd of Montclair, while under the influence of drink on Thursday, became enraged at his son, Reuben, and, according to the latter's story fired at him with a shot gun, some of the lead piercing his hat. The young man has left home.

—The health authorities propose to put a stop to the practice of disposing of tainted meat to poor Italians. It is regarded as injurious to the general health of the community on account of the propagation of diseases among the consumers of it.

—A party of young men from Orange camped in the woods west of Midland Avenue on Sunday. They brought with them a number of bottles of beer in boxes. After they had emptied the contents they amused themselves with smashing the bottles against the trees.

—The Mutual Baseball Club of Bloomfield defeated the Boys in Blue of Newark on Wednesday morning, score 9 to 0. In the afternoon the Mutual's encountered the Athletics and after a well contested game marked by brilliant playing, they again came off victorious, score 6 to 5.

—Carrie and Jennie Leist were frightened by a large blacksnake while on their way to Orange last Sunday. The reptile lay coiled on the Glenwood Avenue sidewalk near the Long Bridge. A crowd of boys who were loitering on the bridge were called and they killed the snake.

—The trustees of the Watessing Free Library met on Monday night and arranged committees to conduct the library fair. Among the features of the fair will be a contest for a silver fireman's trumpet, between Prospect Hose Company of East Orange, and Active Hose Company of Bloomfield.

—A large congregation in addition to the members of Wm. S. Pierson Post, G. A. R., gathered in the German Presbyterian Church on Sunday evening to listen to the discourse of Dr. Geo. C. Seibert. The pulpit was handsomely decorated with flowers and the choir discoursed excellent music.

—The trustees who visited the Berkeley School since the reported disaster there, say the whole thing has been grossly exaggerated. None of the children were seriously hurt, and all the excitement was allayed in a few moments. Only a very small piece of the plaster fell from the ceiling in the rear part of the brick building.

—Complaints having been made to the D. L. & W. R. R. officials that small boys indulge in the dangerous amusement of jumping on and off their trains while in motion at the Watessing and Bloomfield depots, the Company will detail a special detective to duty at these places and an example will be made of the first offender caught.

H.; Wass, Miss May; Woodbridge, Mrs. M. Any person calling for the above will please ask for "Advertised" letters.

THOMAS MORITZ, P. M.

—Mr. Walter Rutan, of Montclair, and Miss Mary Bradley, of Bloomfield, were married on Tuesday evening. The ceremony was performed by Rev. C. Woodruff of Montclair. A reception was held at the residence of the bride's mother, Mrs. George Bradley. Many friends of the bride and groom were present. Mr. and Mrs. Rutan will take up their residence in Montclair.

—An employee of the East Orange Water Company has been busy engaged inspecting the water hydrants in Bloomfield during the week. At the burning of Bauer's hat shop in East Orange the Franklin Hose Company experienced great difficulty in opening one of the hydrants, owing, it is said, to rust. It is the duty of the Water Company to keep them in perfect order.

—The Orange and Bloomfield Street Horsecar Co. and the D. L. & W. R. R. Co. have reached an understanding in relation to the crossing of the tracks of the latter at Glenwood Avenue. The Horsecar Co. are to pay \$175 per year toward the maintenance of gates, which will not be erected at once. The cars will not probably run from Orange until the entire line is completed, which will require two or three weeks. The work on Broad Street is now being pushed forward.

—A violent collision was but narrowly averted on the N. Y. & G. L. R. R. last Friday. A gravel train from Pompton on its way to Jersey City was coming down the Chestnut Hill grade at a high rate of speed, when a freight train was discovered on the Belleville Avenue Bridge. The engineer of the gravel train, by a great effort, succeeded in stopping his locomotive within a few feet of the other train.

—The lack of water pressure on the occasion of several recent fires was a subject of discussion at the East Orange Town Committee meeting on Monday night. It was decided to deduct one hundred dollars from the Water Company's bill, on account of the inefficient supply of water at the burning of Henry A. Potter's barn. A resolution to make inquiries as to some other means of obtaining water supply was adopted.

—A number of veterans of this section who participated in the battle of Gettysburg will accept the invitation of the State to attend the dedication of the N. J. regimental monuments on that historic field on June 29th. Application for transportation by those who were present at the battle in July, 1863, must be made to the State Department before June 15. Blanks for the purpose can be obtained from Geo. M. Cadmus, Adjutant of Pierson Post, G. A. R.

—On Tuesday evening the Young People's Society of the German Presbyterian Church, will open a fair in Dodd's Hall, to be continued three nights. The proceeds of the fair are to be devoted to the needed improvement of the church edifice. The young people of this congregation have been indefatigable in their efforts to build up their church, and they are deserving of liberal patronage. Everyone will find an abundance of handsome and useful articles at reasonable prices.

—Wagons drawn by four and six horses and heavily laden with men, women and beer kegs, are now seen on Sunday mornings, on their way to the woods along the mountain side. That they spend Sunday in accordance with their peculiar views, is evidenced by their singing, shouting and hilarious conduct generally on the way home. Thus the "quiet Sunday" of the city is balanced by noise and disorder, rioting and drunkenness, in the country. It presents a phase of the Sunday License Law that merits thoughtful consideration.

—There was a large gathering of the members of Franz Sigel Turn Verein Corps and Pierson Post Fire and Drum Corps on Monday night in the parlors of A. Leuthausser's Bloomfield Hotel. A sumptuous repast was partaken of by the guests, songs were sung, and speech-making indulged in. In the midst of the festivities, Major Hall of the Drum Corps was surprised with the gift of a handsome military coat and a beautiful flora tribute of horse-shoe shape. The popular major was overcome with surprise at this token of esteem on the part of his numerous friends.

—A game of great interest to Montclair and Bloomfield was played on Wednesday afternoon on the grounds of the Rosville Athletic Association between the Montclair and Rosville. The latter club had the game pretty well in their own hands but a series of errors in the eighth innings enabled the visitors to score four runs. This tied the game and both sides were blanked in the ninth innings. The Montclair scored one in the tenth and blanked their opponents, winning the game amidst loud applause by a score of 6 to 5. The number of spectators was unusually large, estimated at 650.

—A peddler carrying a large stock of fancy dress goods which he professed to have smuggled from Manchester, England, visited a number of houses on Monday. He came across one truly honest lady who indignantly refused to compromise her character by purchasing smuggled goods. She threatened to report the peddler to the police. The fellow looked piteously not to be reported and the lady promised on condition that he would leave the town. He got on the train at Prospect Street bound for New York. He managed to dispose of several pieces of dress goods.

—A meeting was held in Dodd's Hall on Saturday night by the young element in the Republican party of Bloomfield, for the purpose of organizing a Young Men's Republican Club. Spencer E. Hall was chosen Chairman, and Frederick Davis, Secretary. T. W. Langstroth, Jr., Frank Van Aken, Oscar Hale, W. L. Johnson and Samuel Harvey, were appointed a committee on Rules. Charles Smith, Frederick Davis and John Zabriskie, a committee to arrange for permanent headquarters. Mr. Oscar Hale delivered an interesting address on the political situation of the day. The meeting adjourned to come together again on June 6th.

—The German Presbyterian Church was well filled on Tuesday night by the audience that gathered to listen to the oratorical exercises connected with the graduation of students John F. Kern, of Brooklyn, and Robt. S. Siler of Jersey City, who pass from the academic to the theological course in the German Theological Seminary. The church pulpit was handsomely decorated with flowers. The Polymnia Singing Society of the Seminary rendered several selections in vocal music. Rev. John M. Emslin opened the exercises with prayer. Dr. Charles E. Knox, president of the Seminary, delivered an address, after which the students, Messrs. Kern and Siler, delivered their orations. Rev. George C. Seibert closed the exercises with a benediction.

## Our Park and Its Surroundings.

Nature, and the artistic care bestowed upon it, have made Bloomfield Park, at this season, a "thing of beauty" that is admiring. Not a little of the effect is due to the redemption from neglect of the ground on the East side, where now stand the fine residences of Mr. Theodore H. Ward and Dr. John E. Wilson. The contrast in the architecture of these houses lends a charm to the view, and now that both are occupied and fully completed, even to the lawn and curbing, the full effect is seen to be more than pleasing. The Citizens acknowledge, in behalf of all citizens, the good taste and generous enterprise of Mr. Ward and Mr. Frank Hall; and especially are we gratified that the latter gentleman is not disposed to put all his eggs in the Glen Ridge basket. Our park is an emerald gem; and the "setting," in the shape of such fine houses, is most desirable. Improvements needed on the west side, to balance the picture, will come in due time, we hope.

It should be noted in this connection that the Theological Seminary grounds, bounding the park on the south, are also receiving attention from the students. Let them not become weary in well doing. Their outdoor labor already begins to manifest itself.
